

(ONE NAME PER PAVER) Please follow these simple steps when creating your hand drawn image.

- Draw your image on the other side of this slip of paper (the size is the same as the engraving area of a paver).
- Draw your image using a good quality medium thickness black marker pen (about 2mm thick). **Do not use a ballpoint pen, coloured texta or pencils!**
- Make sure that you rub out any pencil lines as these will show up in the finished paver.
- Do not include computer generated or pasted pictures - the hand drawn image engraving process is set up to engrave hand drawn images only.
- Sample #1 has been drawn correctly. **Sample#2 is incorrect as it has a computer generated image and the text was written with a ballpoint pen.**
